Serving on the Board of Directors

Every year at this time the board of directors appoints a nominating committee to seek out LCEA members willing to serve as members of the board. The nominees will stand for election at our LCEA annual meeting in May. We ask that you pray for the work of the committee and God's blessing on this important process.

The work of the board touches everyone involved in the school. Board members usually work behind the scenes, but their policies and decisions govern the school. Wise board members establish sound policies. Characteristics of wise board members include the following: (1) knowing Christ Jesus as Lord, for in Him are hidden the treasures of wisdom and knowledge; (2) knowing the Scriptures, for they reveal the wisdom of God; (3) actively seeking wisdom from above, as a result of praying in faith; and (4) applying scriptural principles to Christian school matters when determining policies.

Variety and balance are good qualities in a board. Our bylaws require representation of multiple congregations on the board. It is helpful to have different occupations represented as well. A mix of new board members with long serving board members helps maintain fresh perspective as well as stability.

The nominating committee members this year are myself, Julie Sattler, Lori Pike, and Cathy Gorman. Please contact a committee member if you would like to make a suggestion. Please prayerfully consider serving if the nominating committee contacts you.

School Cancellations and Delays

Please consider signing up for a mobile text alert from either KCRG or KWWL. As soon as a decision is made and communicated to the TV stations regarding Isaac Newton's status, a text is sent to your phone. Standard text rates apply depending on your carrier and plan. Simply go to their websites and click on closings and cancellations and follow the steps given.

Newton's News & Scrip Going Paperless

This is the last week Newton's News will be sent home with students. From now on, it will be accessible on the front page of our website. Please contact the office if you would like a hard copy. Scrip order forms will no longer be sent home, either. Both the Quick Scrip and the long order form are available on INCA's website, under the "Parent Information" link. This can be printed and brought to the office or to the Quick Scrip table. You may use the online Quick Scrip order form, which sends an e-mail directly to us, and we'll have your order ready to pick up at the Scrip table. Printed forms will still be available at the Quick Scrip table and in the office. The order schedule is also online, and will stay the same. The next order is due Feb. 5th. We usually place an order with our supplier every two weeks. If you have questions, feel free to call Emalee Nemitz, 560-8391, or Shannon Devereaux, 447-4947. Thank you for your flexibility!
