⇒ Online Enrollment

Next week, you will receive an email with a link to re-enroll your student(s) for the 2019-2020 school year. If you are a current family and have a **new** student to enroll in Pre-K, Kindergarten or any other grade, you can start the process by filing out the Online Application on ParentsWeb or incaonline.org, (this needs to be done first, before we can offer Enrollment) to ensure you have a spot reserved for next year.

Benefits of ACSI Accreditation

On March 5-8, an ACSI Accreditation visiting team will be on our campus, inspecting the school. The following are ways that our families and students benefit from our ongoing accreditation with the Association of Christian Schools International (ACSI).

1. ACSI accreditation documents that our school is true to its own foundational statements (mission, vision, core values, goals).
2. ACSI accreditation affirms the school meets standards of quality established by the international Christian school community.
3. ACSI accreditation provides validation of the credibility of the school through a peer review process.
4. ACSI accreditation promotes accountability to our school community.
5. ACSI accreditation helps to improve instruction directed at increasing student achievement.
6. ACSI accreditation promotes ongoing instructional improvement through a continuous process of self-assessment and systematic school development.
7. ACSI accreditation encourages the evaluation of biblical and spiritual integration of the school.
