📷 Spring Picture Day

Lifetouch will be coming on Wednesday, March 13, to take school pictures. These portraits will be in addition to those taken in the fall. Spring portraits aren't your typical school picture. The sittings involve more relaxed poses and different backgrounds than typical yearbook photos. You will need to choose a background on the flyer that is sent home and return it on Picture Day. During spring pictures, all students have their pictures taken. Picture packets will be printed and sent home with all students a few weeks after Picture Day. Parents may select the portraits they wish to purchase or return all with no obligation. There is an option to have sibling group pictures taken. If you are interested in sibling pictures, please let the office know before Picture Day.

🛒 Hy-Vee Receipts

- Next week is "Bring in your receipts week". Put your receipts in an envelope labeled with your class name and the class with the largest number of receipts brought in will receive a treat.

The school has been collecting Hy-Vee receipts, since April 1, 2018. For every \$200 added together on receipts, the school receives \$1. The deadline for turning in Hy-Vee receipts to the school for this year is March 31. If you have any more receipts to turn in, please bring them to the office by March 31. We have received many receipts already this year, and we are thankful for your help with raising money for the school! Receipts from Hy-Vee, Hy-Vee drugstore and gas locations in the area are accepted.

Isaac Newton Night at the Kernels

Isaac Newton Christian Academy will be celebrated at the Kernels home game on Friday, April 12. Our students and families will have many opportunities to participate in fun activities at the ballpark that night while watching the Kernels play. It is a great time where the school community comes together for an evening of baseball and fellowship. Discounted group tickets are available. Club tickets will cost \$8.00 each. Please watch Newton's News for more details as we get closer to the date. This will be a fun evening for the entire school community.
