

# Iowa Assessments

---

Isaac Newton Christian Academy participates in the Iowa Assessments annually. Students begin taking the tests in the third grade.

Our test scores show that we perform well above Iowa and national norms. Here are a few highlights from our 2017 tests, which the students took in the spring of 2017.

- Our students scored above grade level in every subtest in composite.
- Our 9<sup>th</sup> grade students scored in the 95<sup>th</sup> percentile on the complete composite.
- Our 8<sup>th</sup> grade students tested at post-high school levels in Reading, Written Expression, Conventions of Writing, Vocabulary, Social Studies and Science, and in the upper high school grades in Mathematics.
- Our 7<sup>th</sup> grade students scored in the upper high school grades in English Language Arts, Math, Social Studies and Science.
- Our 6<sup>th</sup> grade students scored at 10<sup>th</sup> grade levels in English Language Arts and Science.
- Our 5<sup>th</sup> grade students scored at 8<sup>th</sup> and 9<sup>th</sup> grade levels in English Language Arts.
- Our 4<sup>th</sup> grade students scored at 7<sup>th</sup> grade levels in English Language Arts, Social Studies and Science.
