SECTION 4 – To be completed by Parent/Legal Guardian and Student Driver ....

Student Driver Regulations:
1. The vehicle the student drives to school must be properly registered with Isaac Newton Christian Academy.
2. The vehicle must be properly parked in a parking space.
3. Any newly acquired vehicles must be registered with Isaac Newton Christian Academy.
4. Students must remove the keys from and lock the vehicle.
5. Students must vacate the vehicle and enter the school immediately upon parking.
6. Students are not allowed in vehicles during the school day. If a student must return to their vehicle after parking, he/she must obtain a pass from the school office.
7. Students are expected to arrive to school and present for first period on time (excessive tardies will result in loss of privileges as outlined below).

Failure to observe the above regulations will result in loss of parking privileges as noted below. This failure may also result in other responses listed in the Student Handbook. The Head of School may also revoke driving privileges due to academic or behavioral concerns.

1st Offense: Loss of driving privilege for 7 school days after offense
2nd Offense: Loss of driving privilege for 14 school days after offense
3rd Offense: Loos of driving privilege for 30 school days after offense

Moving Violations:
Student must realize that school property is an extension of public roads and as such, drivers are subject to normal highway rules and regulations.

All moving violations will result in a loss of parking privileges as listed below and prosecution under motor vehicle law if applicable. Examples of moving vehicle violations include:
• Speeding (maximum speed on school grounds is 15 mph)
• Reckless driving (squealing tires, excessive speed for conditions, horseplay, etc.)
• Truancy (including leaving school grounds in any vehicle without following proper procedure)
• Riding in any vehicle to or from Isaac Newton Christian Academy without parent and school authorization.

Failure to observe regulations for moving vehicles will result in loss of parking privileges as noted below. This failure may also result in other responses listed in the Student Handbook.
1st Offense: Loss of parking/driving privileges for 14 school days after offense
2nd Offense: Loss of parking/driving privileges for 30 school days after offense
3rd Offense: Loss of parking/driving privileges for 60 school days after offense

Students are expected to arrive at school on time. Although student safety is always a primary concern, it is the students' responsibility to anticipate poor weather conditions and plan accordingly.

I have read the student parking rules and responsibilities outlined above and understand that a violation of any of these may result in disciplinary action AND suspension of parking privileges.
