Spring Picture Day
Lifetouch will be coming on Wednesday, March 11, to take school pictures. These portraits will be in addition to those taken in the fall. Spring portraits aren’t your typical school picture. The sittings involve more relaxed poses and different backgrounds than typical yearbook photos. You will need to choose a background on the flyer that is sent home and return it on Picture Day. During spring pictures, all students have their pictures taken. Picture packets will be printed and sent home with all students a few weeks after Picture Day. Parents may select the portraits they wish to purchase or return all with no obligation. There is an option to have sibling group pictures taken. If you are interested in sibling pictures, please let the office know before Picture Day.
