The mission and purpose of Isaac Newton Christian Academy is to provide the highest quality Christian education program available through consistent and comprehensive incorporation of Biblical principles.

### **Our Vision:**

Imagine...a campus that provides outstanding academics and activities for children while they are taught to think and act as Christians.

Imagine...an environment where the spiritual formation of children thrives because the three main institutions in their lives—home, church and school, are working together to point them in the same direction...to Jesus Christ.

That's our vision...please join us!
