Tuition: Isaac Newton's tuition does not cover the full cost to educate your student(s). Isaac Newton's budgeted 2023-24 cost to educate a student is approximately $9,000. Please refer to the "Full Cost of Education Donation" form for information on how you can help "close the gap" for your child.

STO / Financial Aid
Heart of Iowa STO: Isaac Newton Christian Academy is part of the Heart of Iowa School Tuition Organization (STO), which is a needs-based scholarship program for Kindergarten through High School. To qualify, a student's family income must be below four times the defined poverty. We encourage all families who are eligible to apply. Documentation is required to support eligibility.

Iowa taxpayers who donate to STOs are eligible for a tax credit equal to 75 percent of the total contribution. Please reach out if you are interested in contributing to the STO.

FACTS Grant & Aid: Aid is available for families that do not qualify for an STO scholarship but may need financial assistance. Documentation is required to be submitted to FACTS, which provides an aid assessment service. You must be enrolled for the next school year to apply. Pre-K does not qualify.

INCA Scholarship: Limited additional aid is available for special circumstances and requests will be reviewed on a case-by-case basis by the Scholarship Committee.

Late Tuition Payments
The school has engaged FACTS as its third-party billing service for all tuition payments. Failure to pay tuition when due impairs the ability of the school to provide quality education for all students. Late payments due to insufficient funds will have a $30 missed payment fee applied by FACTS and may incur a fee from their own financial institution. The missed payment will be reattempted by FACTS within 15 days. If the second attempt also fails, an additional $30 missed payment fee will be incurred. If an account is 30 days past due, the family will be contacted to make an alternate payment plan. If the balance remains unpaid and/or the revised payment plan is not adhered to, the student(s) will be dismissed from the school at the end of that quarter.

Late Fees Payments
Fees for non-tuition items such as lunch, music, before and after school care, athletics, etc. are charged through FACTS. These fees are due upon receipt. Failure to pay fees when due impairs the ability of the school to provide quality services for all students. If an account is 30 days past due, the family will be contacted to make an alternate payment plan. If the balance remains unpaid and/or the revised payment plan is not adhered to, the student will be dismissed from the school at the end of each quarter. Prior year fees must be paid before the start of a new school year.

Transfer or Early Withdrawal Fee
The early withdrawal of a student creates an opening which may not be able to fill with a viable candidate. If a student is withdrawn from the school after the first day of school, then the tuition balance for the student shall be prorated on the number of school days attended as a percentage of the total number of school days in the school year. If a Parent or Guardian or Sponsor terminates an enrollment contract, an early withdrawal fee of $200 per student shall be charged. Official transcripts, report cards, and records cannot be released or sent to other schools if an outstanding balance remains at Isaac Newton Christian Academy.

Expected Volunteer Participation Sponsors are expected to contribute their time to the school as described in the Student Handbook and approved by the administration. In addition, each Sponsor of a student in kindergarten through 12th grade agrees to work four (4) hours annually in the Newton's Pies fundraiser or pay an opt-out fee of $300 annually per Sponsor.
