

## How can you earn money for your tuition?

The Isaac Newton Christian Academy Scrip Program buys gift cards and e-codes from vendors at a discounted rate.

We sell the cards and codes to you at the original price and split the discount with you. You can use these cards for things you're already going to buy, or give them as gifts.

Caseys sells to us at a 3% discount.

We pay \$97 for a \$100 card.

$\$3 \times 70\% = \$2.10$  applied to your family's tuition and fees!

$\$3 \times 30\% = \$0.90$  donated to the school. The new classrooms in the Patriot Center were paid for with scrip credits!

**It might not seem like much, but it all adds up!**

### Purchasing through the RaiseRight App

- E-codes can be used in store or online within moments of purchase 24 hours a day/7 days a week.
- RaiseRight App for plastic cards. Timing to receive your cards is dependent upon what is available in stock at the office and the next order date (at least once a month) *If you need the cards by a certain date, be sure to email scrip@incaonline.org before placing your order* as they will have to be ordered and shipped to the school.
- Cards and codes purchased through the RaiseRight app can be paid by bank account (\$0.29 fee per transaction), by credit card (2.6% fee per transaction), or by cash or check in the office. *If you pay by check/cash, your code will be on your card minutes after the order is released by your scrip coordinator. It is a good idea to communicate with the scrip coordinator to let them know it needs to be released.*
- When registering for the app, our school's code is 6EA276E1856.

### Purchasing from the school office

- Plastic cards for our most popular vendors can be purchased in the school office with check or cash. An order form is attached.
- To order cards we do not have in stock, note it on the order form, email scrip@incaonline.org or go to [www.incaonline.org/parent-info/online\\_scrip\\_order.cfm](http://www.incaonline.org/parent-info/online_scrip_order.cfm)

### By signing above, I agree to the following terms:

- I will pay for all orders that I submit in a timely fashion. I will reimburse the school or RaiseRight for any insufficient funds fees incurred. Failure to comply may result in not being able to participate in this program.
- When notified my order is ready, I will pick up my own order from the school office or request it be sent home with my child. I will not hold the Scrip volunteers responsible for lost cards.
- For administering the Scrip program, the school will retain 30% of the total discount received from scrip purchases for use as designated by the school board and administration.
- Credits will be calculated and applied accordingly three times per year in December, April, and June.
- Undesignated credits will be donated to the school's general fund.
- Scrip credits remaining in a family's account at the end of their enrollment at the school will not be refunded and will be donated to the school's general fund or a designated family's account.
- 70% of the discount received from scrip purchases will be applied in the manner I have designated below.
